DEPARTMENT OF LANDS  
AND FORESTS.

## "FOREST ACT."

NOTICE is hereby given that by Order in Council No. 2055, approved September 17th, 1949, His Honour the Lieutenant-Governor in Council has been pleased to order that, under the provisions of section 131 of the "Forest Act," being chapter 128, R.S.B.C. 1948, all lands in Class "A" and Class "C" parks are reserved unless the consent of the Lieutenant-Governor in Council is obtained, and to recommend that prospecting, locating, and mining be permitted in Class "A" parks according to the provisions of the "Mineral Act," the "Placer-mining Act," and the "Metaliferous Mines Regulation Act," except as follows:—

1. No free miner shall blaze or mark out the location-line of any mineral claim or placer-mining lease or the boundary-lines of any placer claim until he has obtained a record of the mineral claim or placer claim, or until he has obtained a lease.

2. The free miner, in applying for a record or a lease, shall show the proper location of the mineral claim or placer claim or placer-mining lease on an official map acceptable to the Gold Commissioner or Mining Recorder,

3. The free miner shall, at the time of applying for a record or a lease, file with the Gold Commissioner or Mining Recorder an affidavit setting out the kind of mineral that he has found, and if he has not found mineral, he shall set out in full his reasons for staking the ground.

4. No Gold Commissioner or Mining Recorder shall record a mineral claim or placer claim or issue a placer-mining lease until the approval of the Chief Gold Commissioner has been first obtained. The Chief Gold Commissioner shall give his approval only after reaching an agreement with the Chief Forester.

5. The Gold Commissioner or Mining Recorder may, before or at any time after issuing a record for a mineral claim or placer claim, or before or at any time after issuing a placer-mining lease, require the free miner to post security against damage in such amount as the Chief Gold Commissioner and the Chief Forester may agree upon. If the free miner refuses or fails to give such security when so requested, his rights to any mining property

in or upon the lands shall cease and determine, and the Gold Commissioner or Mining Recorder shall forthwith cancel any record thereof.

6. Where there has been undue delay on the part of the Chief Gold Commissioner in granting approval, the date of the record shall count as from the date of approval and not from the date of application.

7. The free miner, upon obtaining a record for a mineral claim or placer claim or on obtaining a placer-mining lease, shall immediately mark the location-line of his mineral claim or placer-mining lease or the boundary-lines of his placer claim according to the provisions of the "Mineral Act" and the "Placer-mining Act," unless otherwise instructed by the Gold Commissioner or Mining Recorder.

8. No free miner shall hold a mineral claim or placer claim or placer-mining lease for more than two years from the date of record or issue of the lease unless he has shown to the satisfaction of an engineer of the Department of Mines that he has made a bona-fide mineral discovery, and then only with the approval of the Deputy Minister of Mines and the Deputy Minister of Forests.

9. If the free miner has not proven within the two-year period mentioned in clause 8 to the satisfaction of an engineer of the Department of Mines that he has made a bona-fide mineral discovery or obtained the approval of the Deputy Minister of Mines and the Deputy Minister of Forests to continue his exploration, the mineral claim, placer claim, or the placer-mining lease, as the case may be, shall cease and determine, notwithstanding the fact the free miner may have obtained a certificate of work.

10. The erection and location of mine buildings and other mine structures shall be subject to the approval of the Chief Inspector of Mines. The Chief Inspector of Mines shall give his approval only after reaching an agreement with the Chief Forester. The erection and location of other buildings shall be subject to the approval of the Chief Forester.

11. No free miner shall cut, remove, or destroy any timber, tree, shrub, or plant, for mining purposes or otherwise, except to make legal claim-posts and as provided for in clause 7, until the permission of the Chief Forester has been first obtained.

12. Subject to clause 10, no buildings shall be erected, no trails or roads constructed, and no actual mining operation shall be carried out without first securing a "Park Use Permit" so to do.

13. Where there is conflict between the regulations established under section 160 of the "Forest Act," R.S.B.C. 1948, and the provisions of this Order in Council in respect of any Provincial park of Class "A," the provisions of this Order in Council shall govern.

14. This Order in Council shall apply to all mineral claims, placer claims, and placer-mining leases heretofore made or issued for Class "A" parks as from the date of this Order in Council, in so far as the terms and conditions of this Order in Council are applicable thereto.
